## Work Experience(1 year)

### 1. Full Stack Development:

- Proficient in both frontend and backend technologies, with expertise in React Native, React and Node.js

React Native, React, CSS, Flexbox  
Node.js, NestJS  
MongoDB, Firebase  
Firebase Authentication, JWT

### 2. API Integration and Development:

-Experienced in developing RESTful APIs using Node.js and NestJS, with expertise in CRUD operations and data security.

Node.js  
NestJS  
Express.js  
MongoDB  
Firebase Authentication  
JWT

### 3. Database Management:

-Skilled in MongoDB for efficient data storage and schema design, with experience in query optimization and Mongoose integration

MongoDb  
Mongoose

Lahore, Pakistan

## EDUCATION

Unique Collage, Lahore  
2022-2023

Virtual University, Lahore

2023-2027

# Bezonet

## Full Stack Developer

2024 - present

### Tech stack:

ReactJs , React Native,  
NodeJs, NestJs, MongoDB,  
Mongoose, MySql, NodeJs,  
Firebase, Websockets

- **Web and Mobile Application Development:** Designed and implemented robust, scalable web and mobile applications using React Native, React, and Node.js.
- **API Integration and Development:** Developed and integrated RESTful APIs with a focus on CRUD operations.
- **Database Management:** Managed MongoDB for efficient data storage and retrieval, including query optimization and schema design.

# TWS

## React Native Intern

2023-2024

### Tech stack

React Native, Mongoddb,  
Mongoose, Firebase,  
Websockets

- **Mobile App Development:** Contributed to the development of mobile applications using React Native, focusing on user interface and experience enhancements.
- **Feature Implementation:** Assisted in implementing and testing new features, ensuring high performance and quality in the applications.
- **Collaboration:** Worked closely with the development team to integrate various third-party APIs and services.
